

Quality and value investing.

INVESTORS MUTUAL LIMITED

June 2016

Welcome to your new IML website

The new website is designed to make it easier for you to access all the information **you want**. We have also added **key new features**:

NEW! IML Fund Pages

Each IML Fund now has its own dedicated fund page that includes tailored video, net performance, fund facts, distribution information & more.

To access:
simply navigate from the home page drop down menu under Funds

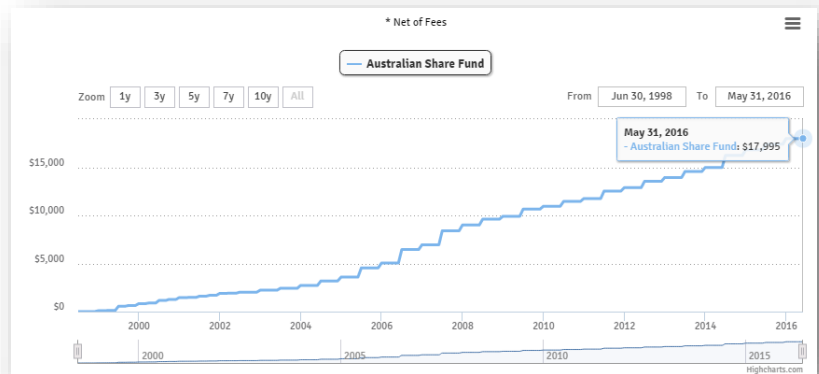

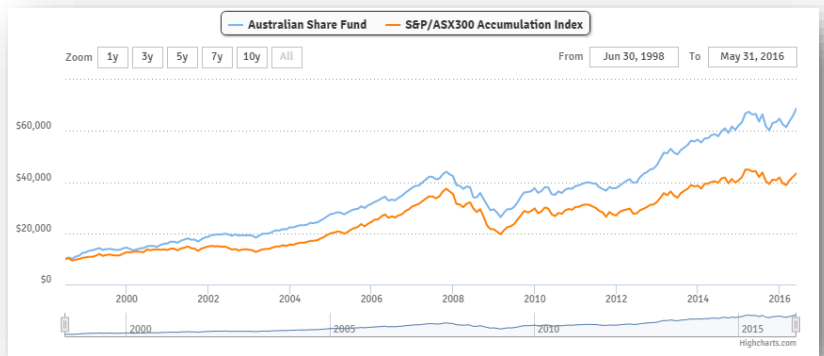

NEW! Net Performance & Income Charting

We are proud to announce this **new feature** that allows you to chart both the net performance of the fund vs its benchmark, as well as the cumulative income return for a given investment period. Charts are fully customisable & can be tailored to different investment horizons.

To access for a particular fund: simply navigate from the drop down menu under Funds

Alternatively, to access charting for **all funds** simply navigate from the drop down menu Performance → Fund Performance

NEW! Adviser Tools

Designed as a one stop shop for advisers, this page includes instructional flyers & videos for use with your clients.

To access: navigate from the drop down menu under Adviser Tools

The screenshot shows the IML Adviser Tools page. The header includes the IML logo and navigation links: ABOUT US, FUNDS, PERFORMANCE, HOW TO INVEST, NEWS & VIEWS, ADVISER TOOLS, and Q&E. The main content area is titled "Adviser Tools" and features three articles:

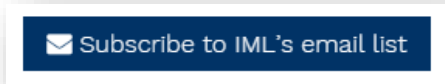

- LARGE CAP:** "We believe income is never 'out of style'" - The table in this flyer compares a hypothetical investment of \$100,000 in the Investors Mutual Australian Share Fund at inception compared to an Australian 12 month term deposit over the same period. [Read article >](#)
- SMALL CAP:** "Small Caps 'the IML way'" - The Australian small cap sector represents an opportunity to invest in some of Australia's most innovative and growing companies. In this flyer IML shares a few of the good quality companies that demonstrate the attributes of strong competitive advantage, recurring earnings, capable management and the potential to grow their earnings and dividends over time. [Read more >](#)
- LARGE CAP:** "We believe income is never 'out of style' (graph)" - The graph in this flyer compares a hypothetical investment of \$100,000 in the Investors Mutual Australian Share Fund at inception in 1998 compared to an Australian 12 month term deposit over the same period. [Read more >](#)

On the right side, there is a video thumbnail for "Anton Tagliaferro The Four Rules of Investing" with the text "Anton talks through his 4 rules of investing".

NEW! Subscribe Feature

Subscribe to IML's email list to receive monthly updates & more.

To access: either subscribe via the home page or the top Left hand menu on each page!

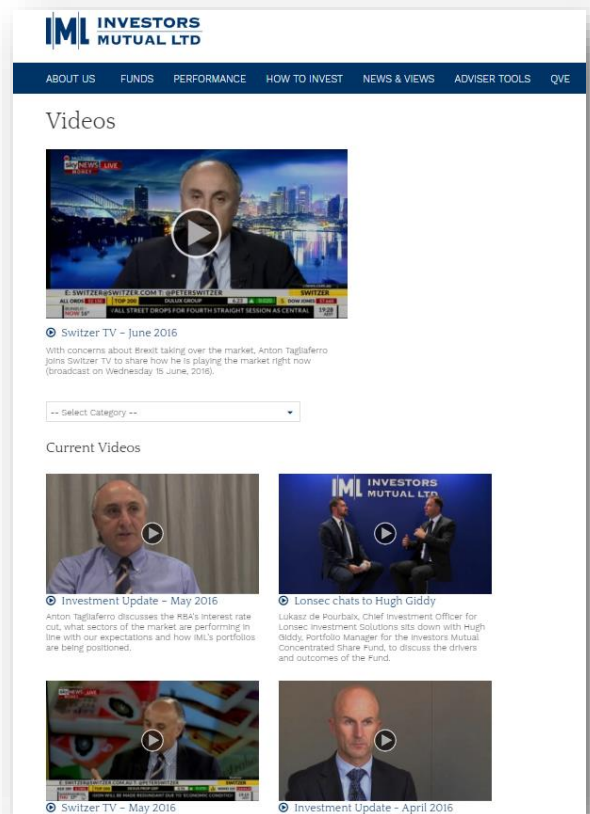

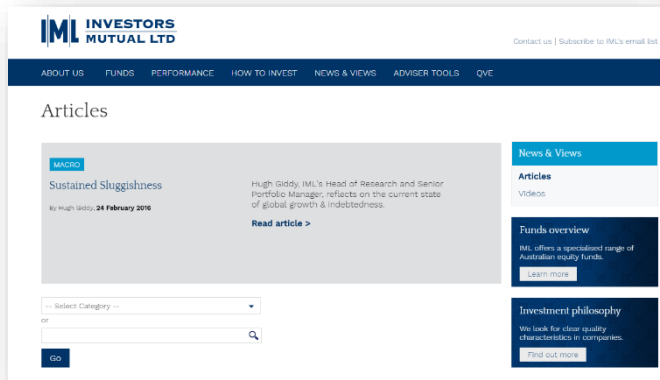

IMPROVED! Video & Written Content

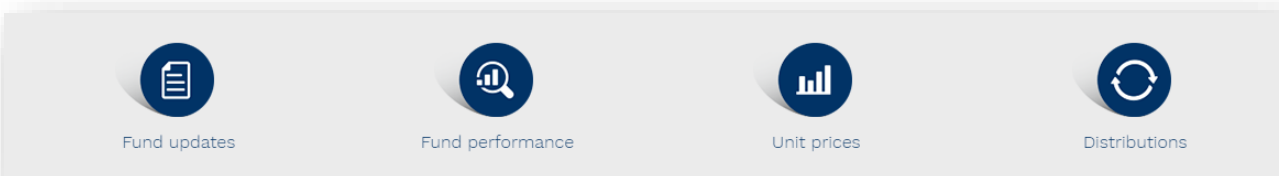

Keep abreast of IML's views either via our Monthly update videos, IML in the media or published articles via our new and improved pages:

To access Videos: navigate from the drop down menu News & Views → Videos

To access Articles: navigate from the drop down menu News & Views → Articles

Finally, Here's how to find some key information from the home page:

We hope you enjoy our [new website](#). As always, we love your feedback & work hard to continually improve our client offerings. If you have any queries, please get in touch [via our contact us page](#):
